### **I. ADMINISTRATIVE ORGANIZATION**

A. The Board of Education is the elected legislative body of School District #59. While it helps create many school policies, it must give complete approval to all school policies and activities. Board duties include the approval of appropriations, determination of taxes, and the employment of all school personnel.

B. The Superintendent of Schools is the chief executive officer of the Bennington Public Schools. He/She is responsible for carrying out the policies and actions of the Board. He/She advises the Board on educational endeavors, recommends personnel, and is responsible for all school district activities, subject to the Board's sanction.

C. The Principal of each building, under the supervision of the Superintendent, provides leadership for the faculty and staff and employs the authority delegated within the framework of Board policies.

## **II. PLAN OF ORGANIZATION**

Bennington Public Schools are organized in a 6 - 3 - 4 plan. This implies that a student has six years of Elementary School training (K-5), three years Middle School training (6-8), and four years of High School (9-12). Bennington is a fully accredited school by the Nebraska State Department and the North Central Accreditation of Schools.

## **III. ADMINISTRATIVE OFFICES**

The High School Principal, Assistant Principal/Activities Director and Counselor's offices are located on your right as you enter the main entrance of the building. The Assistant Principal will also serve as the District Transportation Director.

Principal – Matt Blomenkamp  
Activities Director/Assistant Principal – Greg Lamberty  
School Resource Officer – Gary Baker

## **IV. GUIDANCE AND COUNSELING**

The primary concern of the counselor is to aid students who have questions concerning academic, personal, or social life. This is accomplished through private conferences and group discussion. The counselor discusses questions with students concerning future courses and possible vocations and careers.

The goal of the guidance program is to help students develop an understanding and acceptance of themselves so they may make intelligent vocational, educational and social choices. Students are assisted in formulating goals, which are unique to their personal talents, capacities, and interests. Guidance can help the students believe in themselves, to respect themselves and others, and to recognize that achievement can be a personally satisfying experience when goals are clarified. Counseling is the heart of the guidance service. It is defined as the process of an experienced and qualified individual helping a second person to understand oneself.

The following services are provided through the Counseling Office: self-evaluation, planning high school programs, preparing for post-secondary education and training, studying vocational and career options, counseling students individually and in groups, administering individual and group tests, conferring with parents regarding student progress and concerns, making referrals to various agencies, scheduling classes and assisting with curriculum planning, and conducting follow-up studies with various groups.

Guidance Counselor – Ryan Rischling  
Guidance Counselor –Stephanie Jenkins

## **V. RELEASE OF PUPIL RECORDS**

A. It shall be the policy of this school to release student transcripts to schools, employers, and military organizations upon request provided the minor student and/or the parents/guardians have signed a release form authorizing the school to do so. In some instances, organizations requesting this information have received written approval from the student to request this information. If the agency provides this verification, the school will honor that request. If a student is 18 years of age or older, no parental/guardian signature is necessary to release the student data.

B. Information

1. School officials may have access to only records in which there is a legitimate educational interest, unless a parent has given written and dated consent for the access. A school official has a legitimate educational interest if an official needs to review an education record in order to fulfill his or her professional responsibility and effectively provide the function or service for which they are responsible. School officials include employees of the school and consultants contracted by the school including the school attorney. A school official who violates this restriction shall be subject to disciplinary action.
2. When requested, school district personnel may release directory information such as: student's name, address, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, photograph and other likeness, and other similar information. Directory information will not be released for commercial use without permission of the superintendent or designee.
3. Students and parents/guardian of students may inform the school district or school district personnel in writing that any or all of the directory information should not be released without their prior consent.
4. The No Child Left Behind Act of 2001 requires Bennington Public Schools to provide address and telephone listings. Parents/guardians and secondary students have the right to request Bennington Public Schools not provide this information (i.e., not provide the student's name, address, and telephone listing) to military recruiters or institutions of higher education, without prior written parental/guardian consent. Bennington Public Schools will comply with any such request.
5. Upon request, Bennington Public Schools discloses education records without consent to officials of another school district in which a student intends to enroll. This is only if the information is for purposes related to the student's enrollment.
6. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Bennington Public Schools, District 59, Douglas County, Nebraska to comply with the requirements of FERPA.
  - a. The name and address of the office that administers FERPA are: **Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, D.C. 20202-4605.**
  - b. A copy of the Bennington Public Schools Formal Hearing Procedure can be obtained by contacting the Superintendent of Schools.

## **VI. MANDATORY AGES OF ATTENDANCE**

Mandatory ages of attendance for truancy purposes are as follows: The mandatory ages of attendance are age 6 (as of January 1 of the then current school year) to age 18. Attendance is not mandatory for a child who: (1) has obtained a high school diploma by meeting statutory graduation requirements; (2) has completed the program of instruction offered by a school which elects pursuant to law not to meet accreditation or approval requirements; (3) has reached 18 years of age; (4) has reached the age of 16 years and such child's parent or guardian has signed a notarized release discontinuing the enrollment of the child on a form provided by the school (must be obtained from the principal's office). In addition to a signed notarized release form, the superintendent's designee (Principal) shall conduct an exit interview if the child is (a) enrolled in Bennington High School, or (b) resides in the school district and is enrolled in a private, denominational, or parochial school.

### **ADDRESSING BARRIERS TO ATTENDANCE**

Regular attendance at school is essential for students to obtain maximum opportunities from the educational program. Parents and students are encouraged to ensure an absence from school is a necessary absence. Students shall attend school unless excused by the principal of their attendance center. The administration will follow Nebraska Statute 79-208 and 209 when dealing with attendance issues.

Excessive absenteeism is the failure to attend school for a minimum number of days established in the school calendar by the board, with or without reasonable cause.

The superintendent shall designate the principal as the attendance officer. The principal will investigate the report of any child who may be in violation of the state's compulsory attendance status. The principal may assemble an attendance team that will facilitate implementation of the attendance plan and will be responsible for oversight of attendance strategies.

If any student has accumulated a total of, eight (8) absences in a school year or the hourly equivalent, the school shall render all services to compel the student's attendance. These services shall include the following:

1. Verbal or written communication by school officials with the person or persons who have legal or actual charge or control of any child; and
2. A meeting or meetings between a school attendance officer, school social worker a school administrator or designee, the person who has legal or actual control of the child, and the student (when appropriate) to address the barriers to attendance. The result of the meeting or meetings shall be to develop a collaborative plan to reduce barriers identified to improve regular attendance. The plan shall consider, but not be limited to:
  - (i) Illness related to physical or behavioral health of the child;
  - (ii) Educational counseling;
  - (iii) Educational evaluation;
  - (iv) Referral to community agencies for economic services;
  - (v) Family or individual counseling; and
  - (vi) Assisting the family in working with other community services.

If the parent/guardian refuses to participate in such meeting or services offers as part of the attendance plan, the principal shall place documentation of such refusal in the child's attendance records.

Notification:

1. If a student has accumulated eight (8) absences in a school year or the hourly equivalent, the District will send written notice to the student's parents or guardians regarding the State mandatory attendance and excessive absenteeism laws.
2. If a student has accumulated fifteen (15) absences in a school year or the hourly equivalent, the District will send written notice to the student's parents or guardians regarding the State mandatory attendance and excessive absenteeism laws.
3. If a student is absent more than twenty (20) days in a school year or the hourly equivalent, the attendance officer may file a report with the county attorney of the county in which the student resides. The District shall notify the student's family in writing prior to referring the student to the county attorney. The report shall state that the District has made the efforts required by this policy and that the collaborative plan to reduce barriers identified to improve regular attendance has not been successful and the District recommends county attorney intervention. The report shall include all relevant information regarding the student's attendance and excessive absenteeism. Illness that makes attendance impossible or impracticable shall not be the basis for referral to the county attorney.
4. If a student has a history of being chronically absent from school, the District shall render any and all services in the District's power to compel the student to attend school at any time the attendance officer deems necessary. This may include filing a report with the county attorney of the county in which the student resides prior to twenty (20) days, or the hour equivalent, of absence in a school year.

**Reporting Excessive Absenteeism to the County Attorney.**

If a student is unexcused absent more than 20 days per year or hourly equivalent the attendance officer may file a report with the County Attorney of the county in which such person violating the compulsory attendance laws (i.e., the child, the child's parent, or the person who has legal or active charge or control of the child) resides. When reporting excessive absenteeism, the attendance officer shall inform the county attorney whether the excessive absences are due to documented illnesses that make attendance impossible or impractical. This may be done by informing the County Attorney of either the number of absence due to such illnesses or that the attendance officer is of the opinion that prosecution is not warranted. This report will contain the following information:

1. Identification information including address, phone number, date of birth - any relevant information regarding student's status, residence and parent/guardian status.
2. A complete attendance record including all previous years obtainable of absences, tardies and information regarding any waivers, etc., on record.
3. A record of steps made to gain compliance including calls, conferences, letters, etc., by building, district and any other agencies or individuals that may be involved.
4. A copy of the final certified letter to the parent/guardian notifying them of this action.
5. A copy of the attendance requirement.
6. Any other information that may be deemed helpful to the County Attorney. This may include past actions, discipline records, knowledge of family/community problems, etc.

Attendance is coded at Bennington Public Schools as listed below.

E - Excused - family emergencies, celebrations, or events (examples could include a family wedding, or funeral, or a family member being deployed with the military) - students can make up work for full credit

U - Unexcused - Parent or guardian will excuse the absence but the school does not recognize this particular absence as excused (examples would include: vacation, taking a child to lunch, or consecutive days of illness without a doctor's note) - students can make up work for full credit

MP - Medical Parent - a student is sick and a parent or guardian calls to verify they are home ill. - students can make up work for full credit

MD - Medical Doctor - a parent or guardian provides a doctor's note to validate their absence from school. - students can make up work for full credit

T - Tardy - a student is tardy to school or to a class period throughout the day.

R - Truant - a student is absent from school and parent or guardian does not excuse the absence. - students may not make up work for credit and will receive a consequence for their absence.

SA - School Activity - a student is absent at a school sponsored activity. - students should have completed work prior to being absent at a school activity.

Below are a list of district procedures when recording excused and unexcused absences for all students.

1. Students missing four or more consecutive days due to illness are required to provide a professional's medical note for those absences to be considered "excused." If you are unable to provide a medical note for the illness, the entire length of the absence will be considered "unexcused."
2. When a student is absent from school due to a family vacation, he or she will be considered "unexcused."
3. The school district will only recognize school sponsored activities as excused absences. Any club activity (volleyball, softball, basketball, hockey, etc.) where a student is absent will be coded as a "U" and considered unexcused.

\*The school does not recognize Senior Skip Day as an excused absence.

## **VII. ATTENDANCE PROCEDURES**

A. Statistical evidence supports the hypothesis that regular attendance and high grades are directly correlated. There is no substitute for regular attendance, and most classroom experiences cannot be duplicated. The Nebraska school laws require regular school attendance for all pupils of school age for the entire time that school is in session. In addition, business, industry, and institutions of higher education are viewing these records more closely, seeking individuals who are more stable and dependable.

B. Regular attendance at school is the primary responsibility of each student and his/her parents/guardians.

C. During the school year, it is expected that students will have routine dental and medical appointments. Whenever possible, these appointments should be scheduled outside of school hours, on weekends, or during school vacation periods. If appointments can only be made during school hours, students must bring a note of parental/guardian request to the school office at least one day before the student leaves school for the appointment. In cases of emergency, the principal may waive this procedure. If a number of appointments must be made during school hours, these should be scheduled

during the student's study period or during different periods throughout the school day. All students must report to the office after they have been absent

D. Each absence must be covered by a signed note or telephone call from a parent or guardian, stating the date and reason for the absence.

E. The decision to miss school is the responsibility of the parent and student, in consultation with school officials, and should be made in consideration of the student's status in school. A student contemplating a planned absence from school for more than one day should be in communication with his or her teachers to develop a plan for completing missed work. Students and parents/guardians should avoid scheduling vacations during the days of final examinations.

F. Any student missing more than ten (10) days per semester (this includes both excused and unexcused absences) will have his/her record reviewed by an Attendance Committee with the possibility of credit loss for that semester. Meaning a student may not miss the same period more than ten (10) times. Any student with five absences (excused or unexcused absences) during any quarter will also have his/her attendance record reviewed by a school administrator, parent/guardian, and student (if necessary) to solve the excessive absenteeism problem. Parents/guardians will also be notified by mail when a student reaches their eighth absences for a semester. Parents/guardians will be notified when the tenth absence occurs. They will have seven school days to meet with the Attendance Committee. They will have an opportunity to explain if the child's absences were due to: 1) Illness with doctor verification; or 2) Absences due to family emergency and/or special family/student need. If the parent/guardian cannot provide clear proof to substantiate items 1 and 2, students will lose credit for all classes missed ten (10) or more times. Failure to comply with this meeting will result in automatic loss of credit.

G. A student is tardy when he/she is not in the classroom when the bell starts to ring. If a student is tardy for his/her first period class, he/she will be required to obtain a tardy slip from the office before being admitted to class and will be marked excused or unexcused by the office. Tardies for periods 2-8 will be recorded by the classroom teacher.

Emergencies will periodically occur causing a student to be late to school. Consequently, a student may be tardy two times without disciplinary consequences. Further tardiness (for all class periods 1-8) will result in the following disciplinary action:

- 3 tardies – one detention
- 6 tardies – one detention
- 9 tardies – two detentions
- 12 tardies – Saturday school
- 15 tardies – two Saturday schools
- 18 tardies – one day suspension
- 19 or more tardies – parent meeting and administrative assigned consequence

Each tardy is accumulated for periods 1-8 throughout semester. The principal will deal with excessive unexcused tardies on an individual basis. When a student arrives more than 15 minutes late to any class period, it will be considered an unexcused absence and the student will be required to serve a detention.

H. Students who skip classes are in violation of BHS conduct rules. A skip (truancy) is defined as any absence that the school and parents/guardians do not approve or an absence that the principal will not accept as a reasonable absence: for example, oversleeping, hair appointments, shopping, and other absences when the school is not properly notified.

I. Students shall be present 5 of the 8 periods of the school day in order to participate in any school event, including practices, performances, or games. If the activity occurs before 5th period, the student must be in attendance all previous periods.

- J. No student will be excluded from, denied the benefit of, or discriminated against under any educational program or activity because of pregnancy or parenting responsibilities. Any absences accumulated due to pregnancy or pregnancy-related conditions, or care for an ill child, should not count towards any district policies in effect under compulsory attendance requirements. Pregnant or parenting students shall be allowed to participate in all activities including extracurricular activities throughout the student's pregnancy and following unless administrators determine such participation poses a significant risk of injury to the student or to others. A pregnant or parenting student may be asked to obtain certification from the student's licensed health care provider regarding the student's safe participation in an extracurricular activity when such certification may be required of students for other conditions which require the attention of a licensed health care provider. Pregnant or parenting students are here notified that they may request additional reasonable accommodations to ensure continued participation and enrollment in school.

Lactation:

The district will provide reasonable time and space to accommodate lactating students to express breast milk or breastfeed during the school day. Such accommodations will be in a location, other than a bathroom or closet, that is private, clean, has an electrical outlet, a chair and is reasonably accessible. Students shall also be provided a food-safe refrigerator to store breast milk.

- K. Married students residing in the district are considered to be of legal age and shall have the same educational opportunities as unmarried students. The district encourages married students and students with children to complete requirements for graduation and to participate in school activities.

**VIII. MAKE-UP WORK**

A. No matter what the reason, if a student has missed any type of schoolwork, the course assignments must be made up in a manner acceptable to the teacher. Students can be required to take tests and quizzes as soon as they return to school, if they had been assigned prior to the absence. School Board policy #503.03 states that "students absences approved shall make up work missed and receive full credit". Ordinarily, students will be given one-day for each day absent to make-up work (five day or less). In the case of long-term absences (six days or more), the instructor and grade level administrator will determine when make-up work is due based on the difficulty of content and length of absence.

B. When a student has been suspended from school or has an unexcused absence they will be required to turn in make-up work at the end of the day on the day they return to school.

C. If a student is going to be absent from school for an athletic event, field trip, or other school-sponsored activity, he/she is required to turn in all assignments requested by teachers prior to the absence, or in a manner acceptable by the teacher. If the student does not meet this requirement, the teacher will inform the sponsor of the event or the principal and the student will not be dismissed from school. Staff members can be informed of the students who will be absent in two ways: by activity sheets or by a list

provided to staff members by the sponsor at least two days prior to the event. If the sponsor chooses to use activity sheets, the sponsor will provide them to the student. This sheet is to be returned to the sponsor, who turns them into the office. Students are not counted absent on school-sponsored trips.

## **IX. THE SCHOOL DAY**

A. Throughout the year there may be reasons for students to leave the building during the day (sickness, forgotten articles at home, personal business, etc.). In such cases, students must report to the office for help. Students who leave without proper permission will be considered truant. Failure to comply with this standard will be considered a major rule violation resulting in an administrative conference and potentially disciplinary action.

### **B. Illness at School**

Students who become ill during the school day are to report to the office. If the school nurse is present, he/she will help assess the situation. In his/her absence, the office staff will work with the student. Students will not be sent home until parents/guardians or emergency contacts have been notified.

### **C. Released Time from School**

1. Junior and Senior students may be released from school with the permission from the school and/or parents/guardians for employment opportunities. This provision applies only to periods one and eight.
2. Students requesting to leave school early must pick up a release form in the office, secure the necessary signatures, and have the form returned to school before the release can be granted.
3. Students must be passing all subjects to keep release time status. These standards will be checked each grading period. Students who do not meet the standards will be required to report to a study hall until the next grading period.
4. Students who receive early release will not be allowed to stay at school.

### **D. School Lunch Program**

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

This institution is an equal opportunity provider.

Students must remain on the campus during lunchtime. Please note that the federal lunch program prohibits bringing in outside fast food items during the lunch period (McDonalds, Burger King, etc). All students must report to the Commons area during their entire assigned lunch period (students may be excused with a prearranged pass from a teacher). During the months of August, September, April, and May students will be allowed to use the Courtyard area after they are done eating. Only students passing all subjects and having no discipline infractions for the day will be allowed to use this area, and they must be supervised by an adult.

#### **E. Fire Drills and Tornado Drills**

Teachers will give students instructions to follow during drills. There will be no talking or running during the drills. Everyone must leave the building when the fire alarm rings.

#### **F. School Closing**

State law requires school to be in session a minimum of 175 days. Our calendar ranges from 175-177 days each year. In cases of inclement weather or mechanical breakdown, the decision to close school, delay starting time, or dismiss early will be announced over radio station KFAB (1110), television stations KETV, KMTV, WOWT, and KPTM. The Blackboard Connect 5 System will also provide school closing information to all patrons who have subscribed to the service. Reports in the morning will be around 6:30 a.m. If more days are used for inclement weather than the number scheduled, time will be made up Saturdays or at the end of the school year.

#### **G. The Daily Bulletin (*Badger Gram*)**

School information will be read to students at the beginning of second period. A copy of the bulletin will be placed outside the office each day. The daily bulletin will also be posted on the school website. Information for the bulletin should be given to the high school secretary by 8:30 a.m.

## I. **Student Passes**

If a student wishes to confer with a teacher or counselor during a study hall period, he/she should have that teacher issue a pass from their planner prior to the study hall period to present to the study hall teacher.

Students may be issued passes to leave a classroom or study hall for necessary reasons. Students in halls or restrooms during class time must have their signed planner with them. Students are limited to four passes per school day. Privileges will be taken away from students for not following appropriate pass procedures.

## J. **Passing Periods**

1. Passing periods will be four minutes in length. This will allow ample time to get from one classroom to the next.
2. Students who arrive at school before 8:00 are to remain in the commons area until 8:00 unless accompanied by a teacher.
3. All students are to be out of the building by 4:00 p.m. unless under the direct supervision of a teacher. Doors to the main staircase will be locked at 4:00 p.m. Students must bring their books to the gym before practices that end after 4:00 p.m. All students in the building after 4:00 must wait in the commons unless supervised.
4. The Courtyard may not be used as a hallway during passing periods.

## K. **Late Assignments Procedures**

It is the responsibility of all students to turn in their assignments in a timely manner. Any day of the week teachers may also require students to attend after school study center or come 30 minutes before school

to make up late assignments. Teachers will notify parents/guardians by phone or e-mail. If a student does not report, parents will be notified by the principal or designee and students will be assigned after school detention for the next day. If the student skips after school assignments repeatedly, there will be a required meeting with student, parents, teachers that are involved and principal. Students who have difficulty with organization and getting work turned in, may be referred to the PST team for review. Acceptance of late work is at the discretion of each individual teacher and will be covered in their syllabi

#### **L. Detention**

Detentions will be assigned from 3:20-4:00 with designated staff members. Grades 9-12 will be assigned detentions Monday-Thursday. Students will be assigned detentions because of violations of the Code of Conduct or failure to complete academic assignments. A student will be required to attend the detention on the day assigned unless excused by the staff member assigning the detention or by the principal. All students who are involved in extra-curricular activities must serve their detentions at the regularly scheduled time and they must report to their practices immediately after their detention is finished. Rescheduling requests will be considered by the principal on an individual basis. Students will be required to be on task with school assigned activities; they may not use cell phones or electronic devices such as MP3 players.

Failure to serve a detention will result in parental notification and additional consequences assigned by the grade level administrator. If a student fails to serve a second detention, they will receive ~~two~~ Saturday Schools and their parents will be required to meet with the principal to develop a plan to correct this behavior.

#### **X. BUS SERVICE**

- A. The Bennington Public Schools provides free transportation to and from school at designated pick up, drop off or stopping points, at such times and according to such routes as determined by the Bennington Public Schools for resident students who live more than four miles from the school they attend. Transportation may also be provided for school activities as determined by the Bennington School.
- B. Transportation may also be provided to resident students who live less than four miles from the schoolhouse. They may use this service at a cost of \$175.00 per semester per student (\$350 maximum per semester per family). Payments may be paid by the month, by the semester, or annually. A \$5.00 per-day per-student fee will be charged to occasional riders when and as determined appropriate by the Bennington Public Schools. Each of these situations will be handled on an individual basis depending on distance from the schoolhouse they attend and the established bus routes.

Lockers may be inspected at the discretion of the administration. Students are asked not to share their locker combinations. Students are not to change lockers without permission. Only school locks can be used on all school lockers.

### **B. Search and Seizure**

School lockers are the exclusive property of the district. School lockers may be opened or searched by certificated staff members without notice and without student consent. Students, students' possessions, and automobiles may be searched whenever there is a reasonable suspicion that the student possesses any illegal substance or object which is in violation of law or District Policy, or which could cause bodily

harm or damage to property. The principal or his designee may confiscate any illegal substance or object which is in violation of law or District Policy, or which could cause bodily harm or damage to property. As part of the district's effort to keep the high school safe and free from illegal drugs, the high school principal may authorize the use of law enforcement drug detection dogs to search school lockers and cars parked in the school parking lot. The refusal of a student to consent or submit to a reasonable search and/or to surrender objects or substances found, as a result of such search may be grounds for discipline.

### C. **Dating Violence**

Bennington Public Schools prohibits behavior that has a negative impact on student health, welfare, safety, and the school's learning environment. Incidents of dating violence will not be tolerated on school grounds, in district vehicles, or at school sponsored activities or school-sponsored athletic events.

Dating violence is defined as a pattern of behavior where one person uses threats of, or actually uses physical, sexual, verbal, or emotional abuse to control his or her dating partner. Dating partner means any person, regardless of gender, involved in an intimate relationship with another person primarily characterized by the expectation of affectionate involvement whether casual, serious or long-term.

### D. **Public Displays of Affection/Aggression**

If a student is using a cell phone or electronic device in violation of school or classroom rules, the student will have the item confiscated and turned in to the administration. Confiscated cell phones and other electronic devices may be picked up the following day by students in the administration office. On the day of confiscation, the student's parent/guardian may retrieve the device at the end of the school day in the administrative office unless the object seized is dangerous, contrary to law or school policy, or has been turned over to legal authorities. Failure to give the cell phone or other electronic device to a staff member upon request will be considered

There is a zero tolerance policy for cell phone use in restrooms and locker rooms.

4. Any student caught using their cell phone to bully or harass another student will be subject to disciplinary action.

#### **F. Possession of Nuisance Devices**

Students are encouraged to bring only necessary materials to school in order to maintain a school environment where all students may reach their potential. Unnecessary items can be a distraction to the learning environment and create unnecessary opportunities for theft in which the school cannot be held responsible. Any item that is disruptive to the educational environment will be considered nuisance items and will not be allowed in classrooms, except at the discretion of an individual teacher. Students can expect to have these items confiscated by staff and administration; the items will be turned into the office.

## General Rules of Conduct

The Board of Education recognizes that a major function of school is the development of socially productive behavior on the part of students. It also recognizes that student behavior should not disrupt the educational process or constitute a threat to the health and safety of others.

**A.** The following rules and standards of conduct shall govern student behavior where it occurs on school grounds, in a vehicle owned, leased, or contracted by the school and being used for a school purpose, in a vehicle being driven for a school purpose by a school employee or an employee's designee, or at a school-sponsored activity or athletic event. Violation of these rules and standards shall constitute grounds for assignment of detention, Saturday school, short-term suspension, long-term suspension, expulsion, mandatory reassignment, or suspension of the privilege of participation in extra-curricular activities, contests, or performances.

1. No student shall:

- (a) Use violence, force, coercion, threat, sexual harassment, intimidation, or similar conduct in a manner that constitutes a substantial interference with school purposes or making any communication that a reasonable recipient would interpret as a serious expression of intent to harm or cause injury to another. Students who intimidate or are involved in any form of harassment verbal/non-verbal or physical will be considered in violation of Board Policy 504.18.
- (b) Willfully cause or attempt to cause substantial damage to property, steal, or attempt to steal property of substantial value, repeatedly damage or steal property, or set or attempt to set a fire of any magnitude. Students will be held financially responsible for damage.
- (c) Cause or attempt to cause personal injury to a school employee, to a school volunteer, or to any student.
- (d) Threaten or intimidate any student for any purpose that causes a disruption of school operations. Students who intimidate or are involved in any form of harassment verbal/non-verbal or physical will be considered in violation of Board Policy 504.18
- (e) Knowingly possess, handle, or transmit any object or material that is ordinarily or generally considered a weapon (minimum consequence short-term suspension).
- (f) Engage in selling, using, possessing or dispensing of alcohol, tobacco, narcotics, drugs, a controlled substance, or an inhalant; being under the influence of any of the above; possession of drug paraphernalia, or the selling, using, possessing, or dispensing of an imitation controlled substance as defined in section 28-401 of the Nebraska statutes, or material represented to be alcohol, narcotics, drugs, a controlled substance or inhalant. Use of a controlled substance in the manner prescribed for the student by the student's physician is not a violation. The term "under the influence" has a less strict meaning than it does under criminal law; for school purposes, the term means any level of impairment and includes even the odor of alcohol or illegal substances on the breath or person of a student. Also, it includes being impaired by reason of the abuse of any material used as a stimulant.

- (g) Exhibit public indecency or sexual conduct.
- (h) Sexually assaulting or attempting to sexually assault any person. This conduct may result in an expulsion regardless of the time or location of the offense if a complaint alleging such conduct is filed in a court of competent jurisdiction.
- (i) Engage in any unlawful activity as determined by the United States or the State of Nebraska.
- (j) Willfully disobey any reasonable written or oral request of a school staff member, or voice disrespect to those in authority (Willfully disobeying is considered insubordination).
- (k) Use language, written or oral, or exhibit conduct, including gestures, which is profane or abusive to students or staff members. Profane or abusive language or conduct includes, but is not limited to, that which is commonly understood and intended to be derogatory toward a group or individual based upon race, gender, national origin, or religion.
- (l) Be truant or fail to attend assigned classes or activities; or be tardy to school, assigned classes or activities.
- (m) Dress in a manner which is dangerous to the student's health and safety, the health and safety of others, or is distracting to the extent that it interferes with the educational process.
- (n) Willfully violate the behavioral expectations for those students riding Bennington Public School buses.
- (o) Engage in bullying, which includes any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or a school employee's designee, or at school-sponsored activities or school-sponsored athletic events. The purpose of this rule is to provide a physically safe and emotionally secure environment for all students and staff.
- (p) Repeatedly violate any of the rules adopted by the Bennington Public School District Board of Education.
- (q) The knowing and intentional use of force in causing or attempting to cause personal injury to a school employee, school volunteer, or student, except if caused by accident, self-defense, or on the reasonable belief that the force used was necessary to protect some other person and the extent of force used was reasonably believed to be necessary, or the knowing and intentional possession, use, or transmission of a dangerous weapon other than a firearm.

A student who engages in the following conduct shall be expelled for the remainder of the school year in which it took effect if the misconduct occurs during the first semester, and if the expulsion for such conduct takes place during the second semester, the expulsion shall remain in effect for the first semester of the following school year, with the condition that such action may be modified or terminated by the school district during the expulsion period on such terms as the administration may establish:

- (r) Knowingly and intentionally possessing, using, or transmitting a firearm on school grounds, in a school-owned or utilized vehicle, or during an educational function or event off school grounds, or at a school-sponsored activity or athletic event. This conduct shall result in an expulsion for one calendar year. "Firearm" means a firearm as defined in 18 U.S.C. 921, as that statute existed on January 1, 1995. That statute includes the following statement: "The term 'firearm' means (a) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (b) the frame or receiver of any such weapon; (c) any firearm muffler or firearm silencer; or (d) any destructive device." The Superintendent may modify such one year expulsion requirement on a case-by-case basis, provided that such modification is in writing.

Bringing a firearm or other dangerous weapon to school for any reason is discouraged; however, a student will not be subject to disciplinary action if the item is brought or possessed under the following conditions:

- a. Prior written permission to bring the firearm or other dangerous weapon to school is obtained from the student's teacher, building administrator and parent.
- b. The purpose of having the firearm or other dangerous weapon in school is for a legitimate educational function.
- c. A plan for its transportation into and from the school, its storage while in the school building and how it will be displayed must be developed with the prior written approval by the teacher and building administrator. Such plan shall require that such item will be in the possession and/or supervision of an adult staff member at all times
- d. The firearm or other dangerous weapon shall be in an inoperable condition while it is on school grounds.

**C. Reporting Law Violations**

Under State law, district administrators are required to contact police whenever it is known or suspected that a student has violated the Nebraska Criminal Code. Cases of law violations or suspected law violations by students will be reported to the Bennington Police Department and to the student’s parents or guardian as soon as possible. The school district shall refer all incidents of student discipline for violation of the Federal Gun-Free Schools Act to the Bennington Police Department.

**D. Sanctions**

The Superintendent, the principal or their designees are delegated full authority and are authorized to take all action appropriate or necessary to implement student disciplinary sanctions in the Bennington Public Schools. The decision to exclude would be made after the principal or designee has investigated the facts, given the student oral or written notice of the charges against him/her, and provided an opportunity for the student to present his/her version. A complete copy of due process procedures is available upon request from the building principal.

1. **Short-term Suspensions** - Such short-term suspension shall be made only after the administrator investigated the alleged conduct or violation and determined that such suspension is necessary to help any student to further school purposes or to prevent an interference with school purposes. Before such short-term suspension shall take effect the student shall be given oral or written notice of the charges against him/her and an explanation of the evidence the authorities have. He/she shall have an opportunity to present his/her version of the incident. The administrator shall send a written statement to the student and the student’s parents or guardian describing the student’s conduct, misconduct, or violation and the reason for the action taken. The administrator shall make a reasonable effort to hold a conference with the parents or guardian before or at the time the student returns to school.
2. **Emergency Exclusion:** A student may be excluded from school in the following circumstances:
  - a. If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or the safety of the school community; or
  - b. If the student’s conduct presents a clear threat to the health or safety of himself, herself, or others, or is extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers described above.

If the emergency exclusion will be for five days or less, the procedures for a short-term suspension shall be followed. If the Superintendent of his or her designee determines that an emergency exclusion shall extend beyond five days, a hearing is to be held and a final determination made within ten school days after the initial date of exclusion. Such procedures shall substantially comply with the procedure set forth in this policy for a long-term suspension or expulsion, and be modified only to the extent necessary to accomplish the hearing and determination within this shorter time period.

**E. Long-term Suspension, Expulsion and Mandatory Reassignment**

1. Long-Term Suspension shall mean the exclusion of a student from attendance in all schools in this district for a period exceeding five school days but less than twenty school days.
2. Expulsion shall mean exclusion from attendance in all schools within the system for a period of time not to exceed the remainder of the semester in which it took effect, unless the misconduct occurred within ten (10) school days prior to the end of the first semester in which case the expulsion shall remain in effect through the second semester, or within ten (10) school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year. Such action may be modified or terminated by the school district at any time during the expulsion period. In addition, the following shall apply to any expulsion: In the case of a student bringing a weapon to school in violation of the Federal Gun-Free Schools Act, such student shall be expelled from school for a period of not less than one year. The superintendent, on a case-by-case basis, and to be in compliance with state law, may reduce said expulsion. Any expulsion that will remain in effect during the first semester of the following school year shall be automatically scheduled for review before the beginning of the school year. The hearing examiner shall conduct the review after the hearing examiner has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing examiner that the student be readmitted for the upcoming school year. If the Board of Education or a committee of such Board took the final action to expel the student, the student may be readmitted only by action of the Board. Otherwise, the student may be readmitted by action of the Superintendent, State Statute 79-4, 196.
3. Mandatory reassignment shall mean the involuntary transfer of a student to another school in connection with any disciplinary action.

**F. Procedures to be followed if an administrator makes a decision to discipline a student by long-term suspension, expulsion or mandatory reassignment:**

1. On the date of the decision, a written charge and a summary of the evidence supporting such charge shall be filed with the superintendent. The school shall, within two school days of the decision, send a written notice by registered or certified mail to the student and the student's parent or guardian, informing them of the rights established under this act;

2. Such written notice shall include the following:
  - (a) The rule or standard of conduct allegedly violated and the acts of the student alleged to constitute a cause for long-term suspension, expulsion, or mandatory reassignment, including a summary of the evidence to be presented against the student;
  - (b) The penalty, if any, which the principal has recommended in the charge, and any other penalty to which the student may be subject;
  - (c) A statement that the student shall have a right to a hearing, upon request, on the specified charges, before long-term suspension, expulsion, or mandatory reassignment, for the disciplinary purposes can be invoked;
  - (d) A description of the hearing procedures provided by this act, along with procedures for appealing any decision rendered at the hearing;
  - (e) A statement that the principal, legal counsel for the school, the student, the student's parents or the student's representative or guardian shall have the right (1) to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct, and the right (2) to know the identity of the witnesses to appear at the hearing and the substance of their testimony; and
  - (f) A form on which the student, student's parents, or guardian may request a hearing to be signed by such parties and delivered to the principal or Superintendent in person or by registered or certified mail; and
  - (g) Nothing in this act shall preclude the student, the student's parents, guardian or representative from discussing and settling the matter with appropriate school personnel prior to the hearing stage.

The faculty committee, using a four-point scale, rates the candidate on character, leadership, and service. The Lions Club sponsors the Installation Banquet in the fall.

**C. Activity Rules for Bennington High School**

Understanding the activity rule is vital to your participation in school activities. Both parents/guardians and students need to understand that honesty and cooperation with school officials concerning this policy are of vital importance. Parents/guardians and athletes please take time to read and discuss all items in the Activity Rules. Bennington Public School abides by all Nebraska Schools Activities Association constitution and bylaws. More information can be found at: [www.nsaahome.org](http://www.nsaahome.org)

**PHILOSOPHY:** The Bennington High School activity program is an important part of the total school program. Those students who participate in this program reflect the image of the school and the community of Bennington.

This philosophy is firmly based on the belief that there is more to the activity program than playing the game or participating. During the season, participants must maintain a high standard of conduct, which will enable them to function and perform to the best of their abilities. Therefore, the sponsors and the administration of Bennington High School will not tolerate the use of, alcohol, tobacco, and/or illegal drugs by student athletes and all other activity participants.

The philosophy of the Bennington High School activity program is also based on the belief that student participants are representatives of Bennington High School and the community of Bennington for as long as they participate in the activity program. As such, their actions, both on and off the playing field, must be above reproach. Participant-related incidents, as well as the use of alcohol, tobacco, or illegal drugs, are considered improper behavior for student participants and are subject to penalties.

This philosophy recognizes the fact that there must be close cooperation between the sponsors, the participants, and the parents/guardians if the activity rules are to be successful and effective. The activity rules are for the benefit of all the students involved in activities. The school and the parents/guardians must share the responsibility of making sure that the rules are followed. If the school and parents/guardians work together to enforce these rules, it will ensure a smooth-running activity program and eliminate any problems that may occur.

All Activity Rules violations will be referred to the Activities Director.

1. ACADEMIC ELIGIBILITY FOR ACTIVITIES: A student will be ineligible to compete or perform interscholastically if

We, at Bennington High School, realize that it is impossible to cover every situation that might develop in the future. Each case not covered in the activity policy will be decided on its own merit. We sincerely request your cooperation in this matter. Good sportsmanship begins with adults. We thank you in advance for modeling positive and respectful behavior as a Bennington spectator and fan throughout the school year.

#### **H. Sportsmanship and School Spirit**

1. The students of the Bennington Schools are consistently judged by the general public for moral and ethical conduct during school activities and for the control of their personal lives. Such judgments also reflect on the training received in the school, home, church, and community. Indeed, we want the public to praise and commend our students for their loyal support of school in all activities, but we also want the same public to be able to admire and extol them when victory is in the shadows of defeat. While no one admires a loss, the manner of its acceptance will create an image of respect, honor, and dignity for all Bennington students.
2. School spirit means loyalty to all functions of the school. A loyal student supports his school and does his utmost to keep his activity standards at the highest possible level. School spirit will mean cheering for our team, not against our opposition. To these goals, all Badgers should be dedicated.

#### STUDENT FEES POLICY

The District's general policy is to provide for the free instruction in school in accordance with the Nebraska Constitution and state and federal law. This generally means that the District's policy is to provide free instruction for courses which are required by state law or regulation and to provide the staff, facility, equipment, and materials necessary for such instruction, without charge or fee to the students.

The District does provide activities, programs, and services to children which extend beyond the minimum level of constitutionally required free instruction. Students and their parents have historically contributed to the District's efforts to provide such activities, programs, and services. The District's general policy is to continue to encourage and, to the extent permitted by law, to require such student and parent contributions to enhance the educational program provided by the District.

Under the Public Elementary and Secondary Student Fee Authorization Act, the District is required to set forth in a policy its guidelines or policies for specific categories of student fees. The District does so by setting forth the following guidelines and policies. This policy is subject to further interpretation or guidance by administrative or Board regulations which may be adopted from time to time. The Policy includes Appendix "I," which provides further specifics of student fees and materials required of students for the 2018-2019 school year. Parents, guardians, and students are encouraged to contact their building administration or their teachers or activity coaches and sponsors for further specifics.

The District's policy is to provide fee waivers in accordance with the Public Elementary and Secondary Student Fee Authorization Act. THE NO CHILD LEFT BEHIND ACT OF 2001

NOTICE CONCERNING STAFF QUALIFICATIONS FOR TITLE I TEACHERS

The *No Child Left Behind Act of 2001* gives parents/guardians the right to get information about the professional qualifications of their child’s classroom teachers. Upon request, Bennington Public Schools will give parents/guardians the following information about their child’s classroom teacher:

1. Whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under an emergency or provisional teaching certificate.
3. The baccalaureate degree major of the teacher. You may also get information about other graduate certification or degrees held by the teacher, and the field of discipline of the certification or degree.

We will also, upon request, tell parents/guardians whether their child is being provided services by a paraprofessional and, if so, the qualifications of the paraprofessional.

The request for information should be made to an administrator in your child’s school building. The information will be provided to you in a timely manner. Finally, Bennington Public Schools will give timely notice to you if your child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet the requirements of the Act.

NOTICE CONCERNING DISCLOSURE OF STUDENT RECRUITING INFORMATION

The No Child Left Behind Act of 2001 requires Bennington Public Schools to provide military recruiters and institutions of higher education access to secondary school students’ names, addresses, and telephone listings. Parents/guardians and secondary students have the right to request that Bennington Public Schools not provide this information (i.e., not provide the student’s name, address, and telephone listing) to military recruiters or institutions of higher education, without their prior written parental/guardian consent. Bennington Public Schools will comply with any such request.

**XX. ACCEPTABLE USE OF COMPUTERS, TECHNOLOGY AND THE INTERNET**

**606.06**

We are pleased to offer the staff and students of the Bennington Public Schools access to the district computer network, including electronic mail (“e-mail”) and the Internet. To gain access to electronic mail (e-mail) and the internet, all staff must sign and return the “Staff Agreement” form to the central office. Likewise, to gain access to e-mail and the Internet, all students attending the Bennington Public Schools must sign a “Student Agreement”, and their parents must sign a “Parents Agreement”, which will be kept on file.

Access to e-mail and the Internet will enable staff and students to explore thousands of libraries, databases, and bulletin boards, while exchanging messages with Internet users throughout the world. Students and parents should be warned that some material accessible by the internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their students should follow when using media and information resources. To that end, the Bennington Public Schools support and respect each family's right to decide whether or not to apply for access.

A. E-Mail and Internet Rules:

1. General Rules

- (a) The e-mail and Internet networks are provided to staff and students to conduct research and communicate with others. Access to network services is given to staff and students who have agreed to act in a responsible manner. Parental permission is required for student use. ### 3. Penalties for Violation of Rules

All of the policies and procedures for acceptable use of computers and networks are intended to make the computers and networks more reliable for users. They are also intended to minimize the burden of administering the networks so that more time can be spent enhancing services.

Use of the computer to access telecommunications resources is a privilege and not a right. Violation of the policies and procedures of the Bennington Public Schools concerning the use of computers and networks may result in disciplinary action up to, and including, suspension and/or expulsion of students and suspension, termination, non-renewal or cancellation of the contract of an administrator, teacher or other school employee.

### 4. Use of Computer Access to Telecommunications Resources is a Privilege and Not a Right.

## XXI. 1:1 INITIATIVE

### A. Introduction

Bennington Public Schools is proud to offer our students in seventh and eighth grades Chromebooks for use at school and at home. The 1:1 Learning Initiative, which provides mobile computing and wireless technology to all students in these grades, has been designed to provide students with the skills and tools they need in school and for lifelong learning and success.

## **B. Computer Specifications**

All students are issued one Chromebook, one Chromebook power supply, and one protective laptop sleeve. The laptop and the power adapter have been assigned serial numbers and asset tags by the District.

Please note that these devices require a Wi-Fi connection in order to be able to access the Internet. Chromebooks have limited offline functionality, but the full power of the device will be realized with an Internet connection.

## **C. Laptop Take-home Privileges**

While all students will be issued a laptop for use at school, it will be up to individual families to decide whether or not they would like their students to bring their laptops home at the end of the school day. Before take-home privileges will be granted, parents/guardians and students must attend an orientation. At this orientation, parents/guardians may pay the cooperative loss fee and sign all the necessary agreements. Parents/guardians who do not attend the orientation will be required to receive a certificate of completion of a district-assigned 30-minute e-learning module before take-home privileges will be assigned.

The laptop, power supply, and sleeve will all be collected at the end of the academic year or upon termination of the student's enrollment for maintenance, cleaning, and repair.

Any laptops not returned when requested will be reported to local law enforcement as stolen property.

## **D. Fees and Cooperative Loss Agreement**

Families who would like to have take-home privileges for their students' Chromebooks may pay an annual, non-refundable fee of \$20. This fee provides for an 80% discount on up to 4 repairs that must be conducted on the student's Chromebook during the school year.

*After 4 repairs in one school year, families will be responsible for 100% of the repair cost.* Families who choose not to participate in the cooperative loss program will be responsible for the full cost of the repair each time.

With or without the cooperative loss agreement, damage that results in a complete loss of the Chromebook will result in a damage bill for the full replacement cost of the device.

The following table lists the costs for each event. Note that parts availability and pricing is subject to change. The information provided is accurate as of the most recent edition of this handbook.

Damage Type	With Cooperative Loss	Without Cooperative Loss
Broken Screen	\$5	\$40
Broken Chassis	\$20	\$100
Lost/broken Power Supply	\$5	\$40
Keyboard Replacement	\$20	\$100
Total Loss	\$200	\$200

Repairs due to defects in workmanship or warranty service will be facilitated by the Technology Department.

## **E. Laptop Use at School**

### **1. General**

Laptops are intended to be used at school every day. Students are responsible for bringing their laptops to every class unless specifically advised by teachers not to bring them. Laptops must be brought to school fully charged every day. Only use the provided charger to charge your laptop.

Students must comply with individual classroom teachers' rules.

No laptops will be allowed in the locker rooms at any time.

Laptops will not be permitted at the tables during lunch.

### **2. Laptop Software, Apps, and Settings**

The presence of inappropriate material including (but not limited to) guns and weapons-related content, pornographic content, alcohol-, drug-, or gang-related symbols or pictures, or any other material deemed unacceptable by the school administration on the laptop or in the student's online storage will result in disciplinary action (see Computer Violations) and, where appropriate, referral to law enforcement.

### **3. Sound**

Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. All students are advised to acquire headphones or earbuds. All Chromebooks are equipped with a standard 3.5mm headphone jack similar to what is found in most portable devices and cell phones.

### **4. Printing**

Students will not be granted access to printers with their Chromebooks.

### **5. Lunch**

Students will not be permitted to use their Chromebooks during lunch.

### **6. Extracurricular Activities**

Students will be allowed to take their laptops to extracurricular events at the discretion of the coach/sponsor.

If students bring their Chromebooks to an event, students and parents/guardians assume full responsibility for any loss, damage, or theft that may occur during the event.

## **F. Laptop Care**

### **1. General**

No food or drink is allowed next to your laptop.

Students may not carry the laptop with the screen open.

Under no circumstances should laptops or other technology be left in unsupervised areas. Unsupervised areas include, but are not limited to: the school grounds and campus, common areas, unlocked classrooms or lockers, bathrooms, busses, cars, and hallways. Any computers left in these areas are in danger of being lost or stolen.

Students are not permitted to write, draw, or place stickers or labels on the laptop.

The laptop must be transported to and from school in the district-provided sleeve or in a student-purchased bag or sleeve approved by the district.

Students may install covers or cases on their laptops as long as the cases are removable and do not cause physical damage to the Chromebook.

Students should not under any circumstances repair, alter, or make changes to their laptops. When students encounter a problem, they or a teacher should contact the Technology Help Desk.

Loaner laptops will be made available for students whose laptops are awaiting repair by the Technology Department. Students will be expected to return the loaner laptop by the end of the school day.

Student laptops will be labeled in the manner specified by the school district. Under no circumstances are students to modify, remove, or destroy these labels and markings.

### **2. Display Care**

The laptop display can be damaged if subjected to rough treatment. The display is particularly vulnerable to damage from excessive pressure.

- Do not lean on the lid of your Chromebook when it is closed.
- Do not place anything in the laptop bag that will press against the case.
- Do not poke the screen.

- Do not place anything on the keyboard before closing the lid (e.g. pencils, pens, fingers, or headphones).
- Do not place your Chromebook in your backpack.

## F. Misbehaviors and Consequences

### 1. Computer Violations

Bennington Public Schools has a zero tolerance policy on computer violations. Students who are not responsible users of technology will receive the following consequences:

- First Offense – Detention
- Second Offense –
- Third Offense – Required attendance at Saturday Digital Citizenship class, take-home privileges revoked until the class is attended and passed.
- Fourth Offense – Determined by Administration

### 2. Forgotten or Uncharged Laptops

Teachers will expect that students come to school ready to learn and with their laptops in appropriate working order (charged, undamaged, and fully functioning). Students who forget to bring or charge their laptops will receive consequences at the teacher's discretion.

Unsupervised laptops will be confiscated by the staff and taken to the administrative office. Disciplinary action will be taken for leaving a laptop unattended.

#### 1. IT Controls

The Technology Department has the right at any time to access student computers, add or remove software, change settings, and/or remove local data on the Chromebook. It is up to students to make sure their data is safely stored.

## G. Family Computing Tips

Computers are a resource tool. Bennington Public Schools strives to provide students with the skills and tools needed to support lifelong learning and success. While it is great to have your children learn to use the latest technology, spending too much time with video games and surfing the web can be unproductive. Due to federal regulations, Bennington Public Schools will filter and document usage on District-owned equipment at all times. Measures have been put in place to limit student access to harmful or inappropriate material both on and off school grounds. **No technology measure is perfect or will serve as an adequate substitute for parent/guardian involvement, communication, and supervision.** It is the responsibility of parents and guardians to supervise, manage, and monitor their children while they are not at school.

Parents and guardians should communicate with their children and set computer limits. Here are some examples:

- I will not give out personal information such as my address, phone number, parents' or guardians' work addresses/phone numbers, or the name and location of my school without parent or guardian permission.
- I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. I will report mean or uncomfortable messages to a trusted adult or teacher.
- I will talk with my children so that we can set up rules for going online. We will decide on the time of day that I can be online, the length of time I can be online, and appropriate areas for me to visit.
- Limit the hours during the day that your child is on the computer.

One of the District's goals with this initiative is to provide equitable technology access to families. Family members of the student with a school-issued laptop are permitted to use the laptop to check the school website, child's grades, etc. The student's use for school work should take priority over other family use.

All users of the student's Chromebook are required to follow the policies and procedures outlined in this handbook as well as the District's Acceptable Use of Computers and Internet Policy. When students are off-campus, a Wi-Fi Internet connection should be made available to enable access to all learning materials made available through the District. It is possible to complete some tasks (composing documents, creating spreadsheets and presentations, using offline apps) without an Internet connection. The District can provide contacts in the community to help qualifying families subscribe to affordable Internet services.
