Mrs. Hanusek’s 2nd grade class had fun “digging” for fossils in science class. The fossils were chocolate chip cookies and the tools were toothpicks used to demonstrate what a fossil dig might look like!
In Mrs. Mimick’s 2nd grade Social Studies this month we learned about people who made positive contributions:

George Washington

1. He gave in defense when the British attacked.
2. He was the First President.
3. He changed the world.

Susan B. Anthony

Every women back then did not have equal rights. Women were not able to vote. She fixed the way that women could not vote.

Martin Luther King, Jr.

Martin led the fight for equal rights for all Americans.

Mary McLeod Bethune

She started school. She fought for equal education and equal rights.

Rosa Parks

She stood up for her rights. She fought for the right of all people to vote.
This week, students at all Bennington Public Schools participated in a mock vote for the BPS bond issue. The students watched an informative video and then filled out a ballot. It was a great learning opportunity. The votes were tallied and a majority of the students voted FOR the bond issue.
