TeamMates touches the lives of our mentees. TeamMates is currently serving over 9,000 youth in 160 local chapters. A 2011 TeamMates study conducted in conjunction with Gallup found that TeamMates mentors have the ability to make a statistically significant impact on the level of hope their mentees have. By simply showing up, week after week, mentors build on a sense of hope in their mentee. Our 2019 annual survey found that 91% of mentees reported higher levels of hope as a result of their mentor. This hopefulness manifests itself in greater confidence, positive feelings about the future, and higher quality of living. One student put it this way, “A mentor can make you feel hopeful when all else seems to go wrong.” Another student noted, “My TeamMate teaches me that there is hope in my future and he believes in me.”

Our TeamMates Mentoring Chapter in Bennington continues to grow. We hope to reach 90 matches soon. We are always looking for new mentors. Can you (Be There) for one of our students? If you are interested in becoming a mentor, we would be excited to have you on our team. Your gift of time can help inspire a student to reach his/her full potential. Your involvement as a mentor can help you become a better listener. It helps you engage with youth and gives you a sense of pride knowing you are helping a child reach his/her full potential.

If you are interested in joining our mentoring team, please contact Stan Turner, Program Coordinator, at sturner@bennps.org or 402-672-9647.

TeamMates Runza night is scheduled for Tuesday, April 7th. Ten percent (10%) of their sales that day will be donated to our chapter.
